

THE AGA KHAN UNIVERSITY HOSPITAL (AKUH)

AKUH Emergency Medicine Department Information

1. OVERVIEW

The Department of Emergency Medicine at AKUH's Main Campus (Stadium Road) provides 24/7 emergency care staffed by emergency physicians, trauma surgeons, and critical care teams.

2. STAFFING & AVAILABILITY

The Emergency Department (ED) operates 24 hours a day, 7 days a week, including all public holidays. It is staffed at all times by on-duty emergency physicians, with on-call specialists from Cardiology, Surgery, Orthopaedics, Paediatrics, and Neurology available around the clock.

3. TRIAGE SYSTEM

Patients are assessed using a 5-level triage system upon arrival:

- **Level 1 (Resuscitation):** Immediate, life-threatening conditions — seen instantly.
- **Level 2 (Emergent):** Seen within 10 minutes.
- **Level 3 (Urgent):** Seen within 30 minutes.
- **Level 4 (Less Urgent):** Seen within 60 minutes.
- **Level 5 (Non-Urgent):** Seen as capacity allows.

4. SERVICES AVAILABLE IN THE ED

- On-site trauma bay and resuscitation rooms.
- 24/7 access to CT, X-Ray, and ultrasound imaging.
- 24/7 laboratory and blood bank services.
- Dedicated paediatric emergency bay.

5. FEES & BILLING

ED Triage & Consultation Fee: PKR 3,000 (billed at registration; waived and adjusted into the final bill for admitted patients). Diagnostic tests and procedures performed in the ED are billed separately according to standard hospital rates.

6. LOCATION & ACCESS

The Emergency Department has a dedicated entrance on Stadium Road, separate from the main outpatient gates, with ambulance bay access and 24/7 security screening.
