

THE AGA KHAN UNIVERSITY HOSPITAL (AKUH)

AKUH Radiology & Diagnostic Imaging Department Information

1. OVERVIEW

The Department of Radiology & Diagnostic Imaging at AKUH provides a full range of imaging services supporting both outpatient and inpatient care, operating extended hours to support timely diagnosis.

2. SERVICES & OPERATING HOURS

- **X-Ray & Ultrasound:** 8:00 AM to 10:00 PM, daily (Emergency cases: 24/7).
- **CT Scan:** 8:00 AM to 10:00 PM, daily (Emergency cases: 24/7).
- **MRI:** 9:00 AM to 9:00 PM, Monday to Saturday.
- **Mammography:** 9:00 AM to 5:00 PM, Monday to Saturday.

3. APPOINTMENT & PREPARATION NOTES

Most X-ray and ultrasound studies do not require an appointment for outpatient walk-ins. CT and MRI scans require prior appointment booking through the Main Hospital Contact Center. Patients undergoing contrast-based CT or MRI studies are advised to fast for 4 hours beforehand and disclose any history of kidney disease or contrast allergy at the time of booking.

4. INDICATIVE PRICING

- Digital X-Ray (single view): starting at PKR 1,500.
- Ultrasound (abdomen/pelvis): PKR 4,500.
- CT Scan (non-contrast, single region): starting at PKR 12,000.
- MRI (single region, without contrast): starting at PKR 28,000.

Prices vary based on the number of body regions scanned and whether contrast is required; final pricing is confirmed at the time of booking.

5. LOCATION & ACCESSIBILITY

The Radiology Department is centrally located on the Ground Floor of the Diagnostic & Treatment Centre, accessible via Gate No. 3, with direct corridor access from the main Emergency Department for urgent imaging.
